Foreword

In beginning this foreword, the editors would like to express their appreciation to their fellow staff members and most especially to their sponsor for making this book possible.

The theme for the 1969 Mesquite-O is the various colors of school life. Colors can reflect feelings, and there are many mixed feelings toward school life. These emotions differ with each individual. Some aspects of school are fun and filled with happiness, while others are difficult and consist of sadness. However, the years one spends as a student would not have richness if there wasn't a combination of work and play, joy and sorrow.

The colors chosen for the division pages are in keeping with how we feel about these components of this yearbook. We hope that they add to your enjoyment in reliving some of the moments of the past year that we have captured in the following pages.

The Editors

We Dedicate The 1969 Mesquite-O to
Mrs. Sue Braden

As head of Mesquite High School's ever-improving and ever-expanding drama department, Mrs. Braden has had a busy and, at times, a difficult job. And she has been in charge of staging a production in the fall and in the spring, as well as a children's theatre production each year. All of this work seems to only increase her enjoyment and her skill in direction and instruction. Her experience, knowledge, and understanding of drama has truly been an inspiration to the drama students of MHS.

Moreover, her many outstanding productions have provided enjoyment for students and for the community as a whole. Therefore, we take great pride in dedicating the 1969 Mesquite-O to Mrs. Sue Braden.

Going to homeroom after lunch isn't much fun ...

Too much talk will make sophomores late to class or is it lunch???

Their homeroom must have a lot of action going on to be that fast.

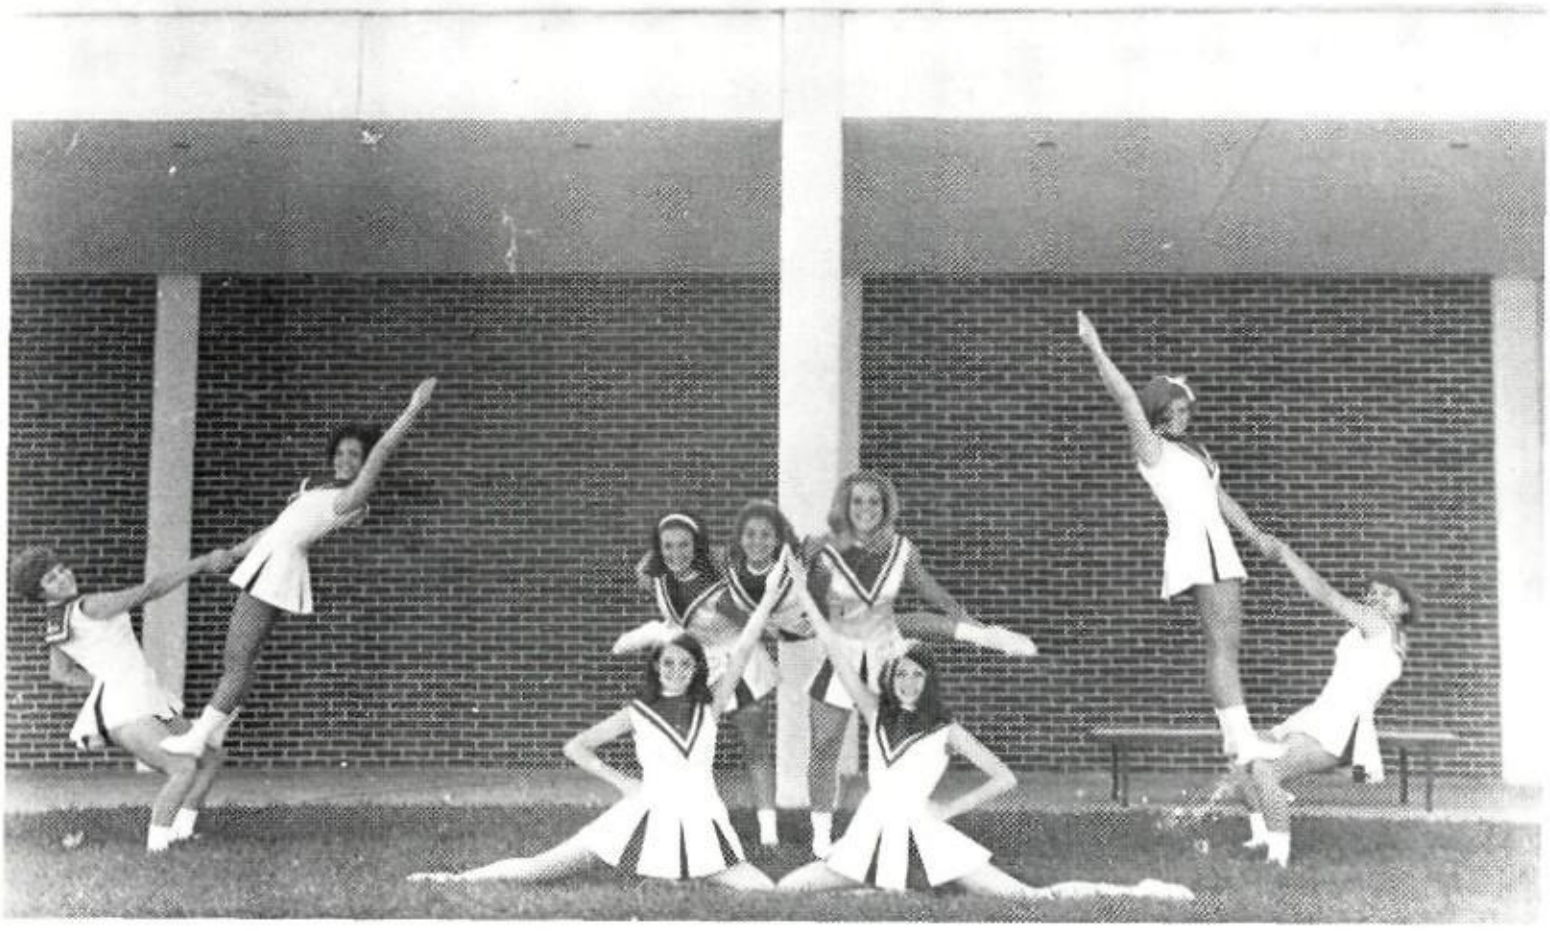
Pep

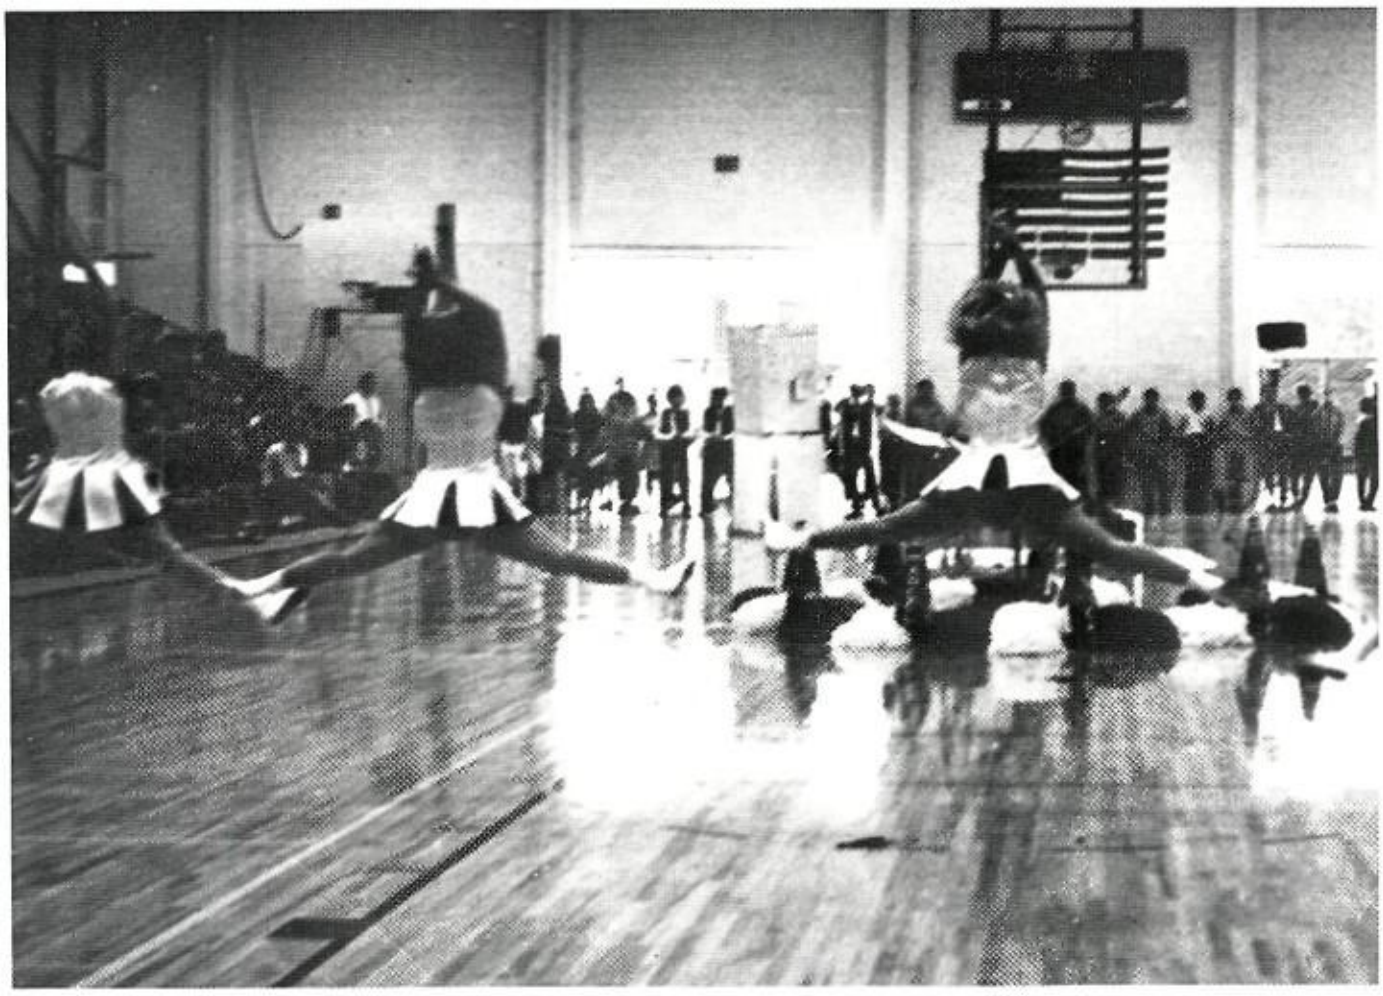


This year's CHEERLEADERS have been a great help with our spirit and we'd like to thank all of you for a job well done.

The MAJORETTES of MHS helped the spirit this year by performing musical routines to various songs played by the MHS band.

It looks like Becky forgot what to say, but not everybody is perfect.

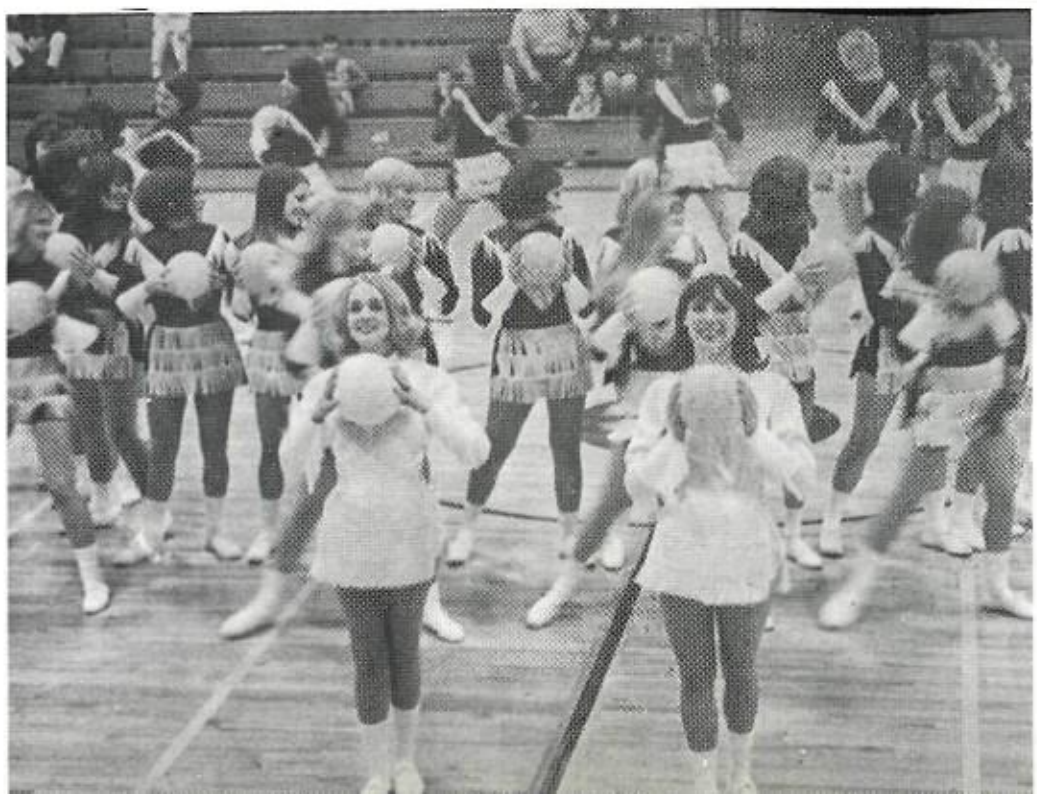
Rallies



It looks like the cheerleaders are going high in the air for the SKEETERS at this pep rally.

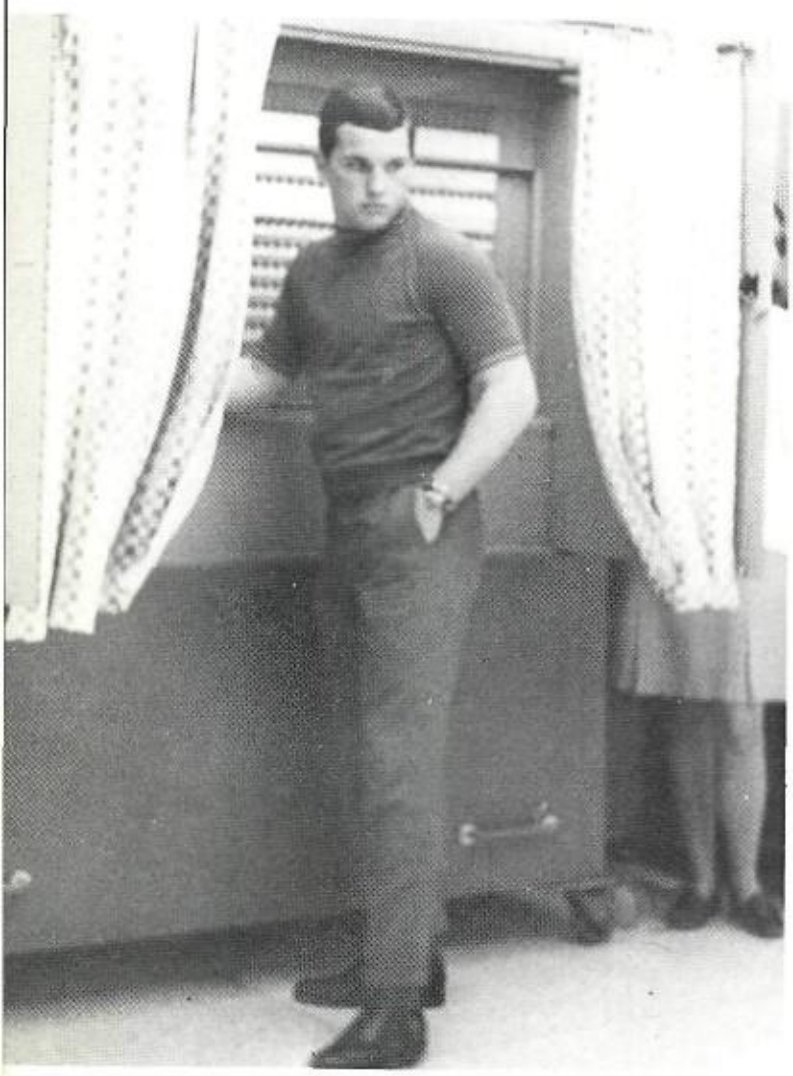
The Cheerleaders had some trouble with the students this time—they won't yell.

CATCH!!



Let's all play BALL!

Government Day



James looks as though he made a mistake in his voting.

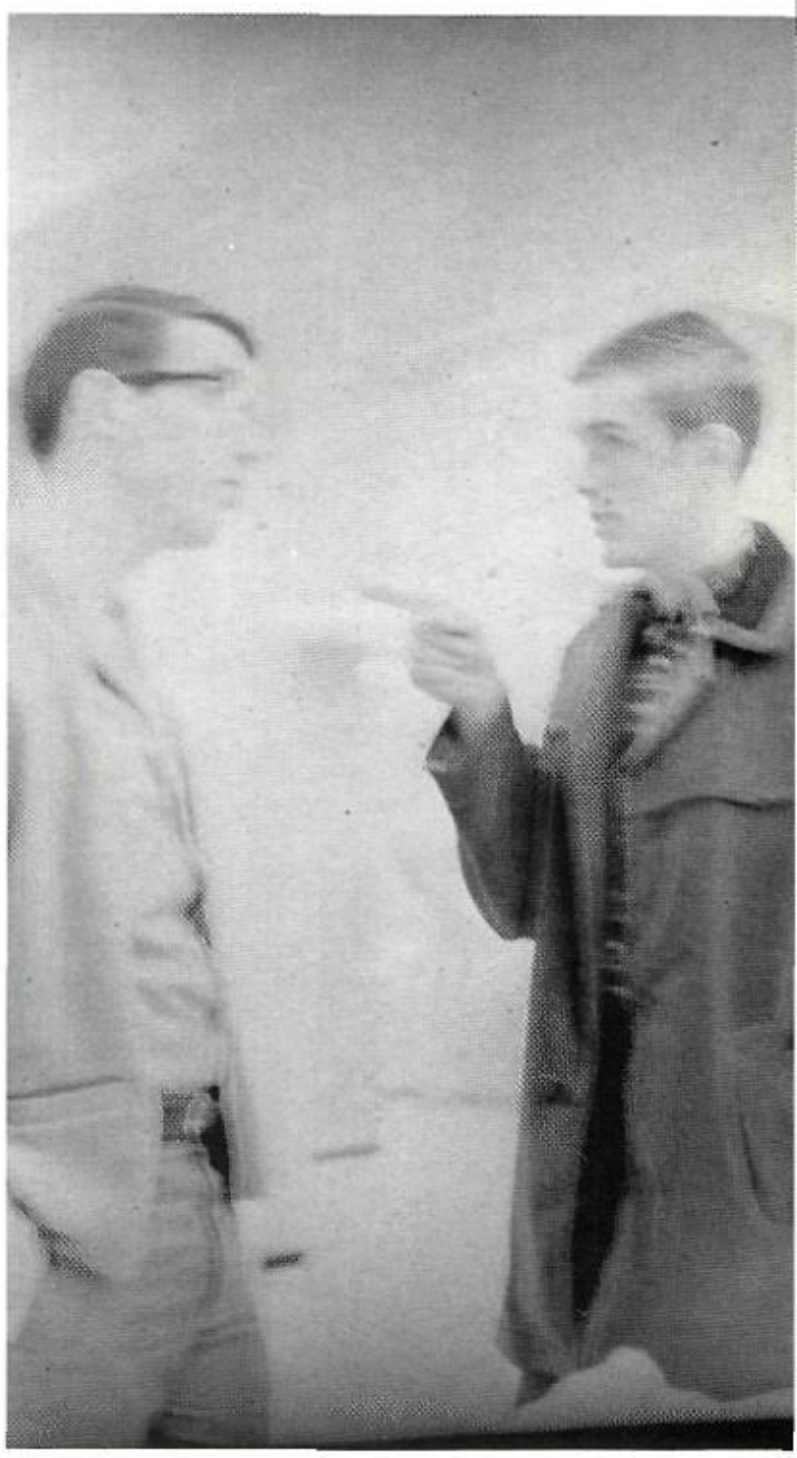
Two voters in the same booth??

Courtlin looks like he got even with an enemy. Or did he?!

Cathy, watch what you're doing—you might vote for the wrong person.

The Goof-offs of Government Day.

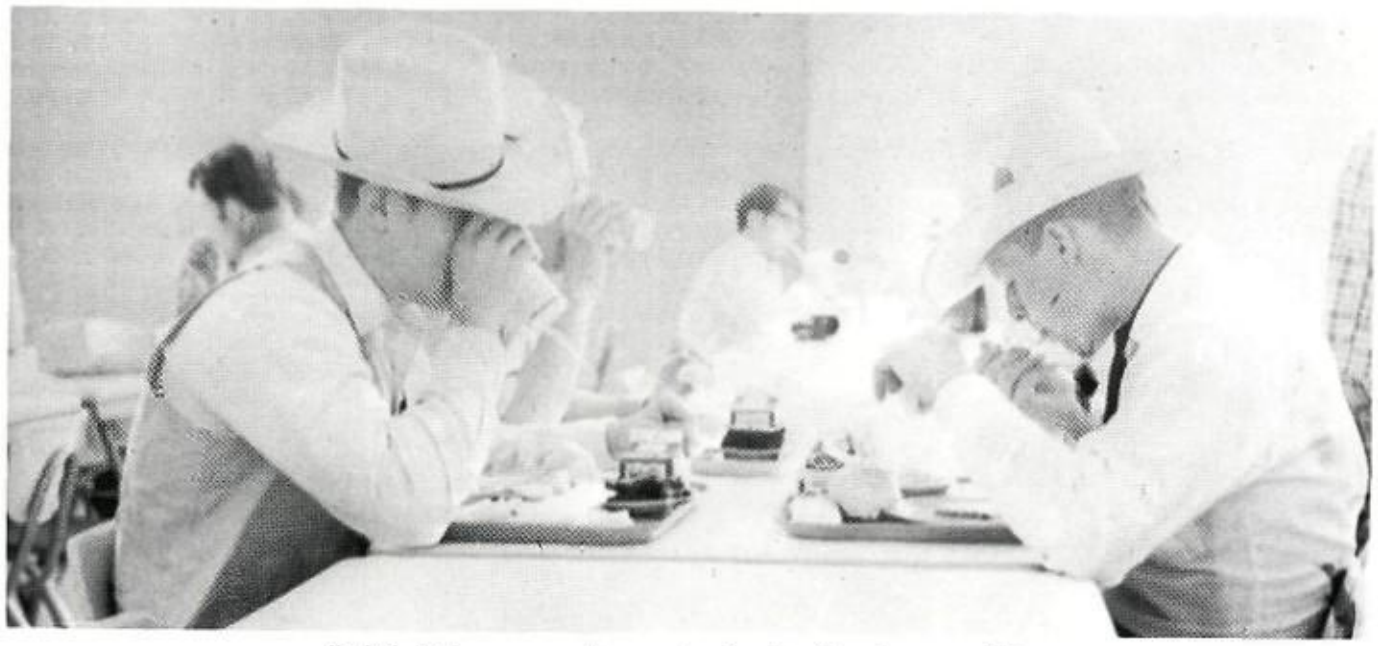
These Seniors look calm on election day, don't they?



David Houser, don't you point your finger at Keith and tell him to vote for you—that isn't fair. What do you think of David's finger?

Maybe now they'll get down to business?

Steve Ingram won the Best Dressed Western-er, on Western Day at MHS.

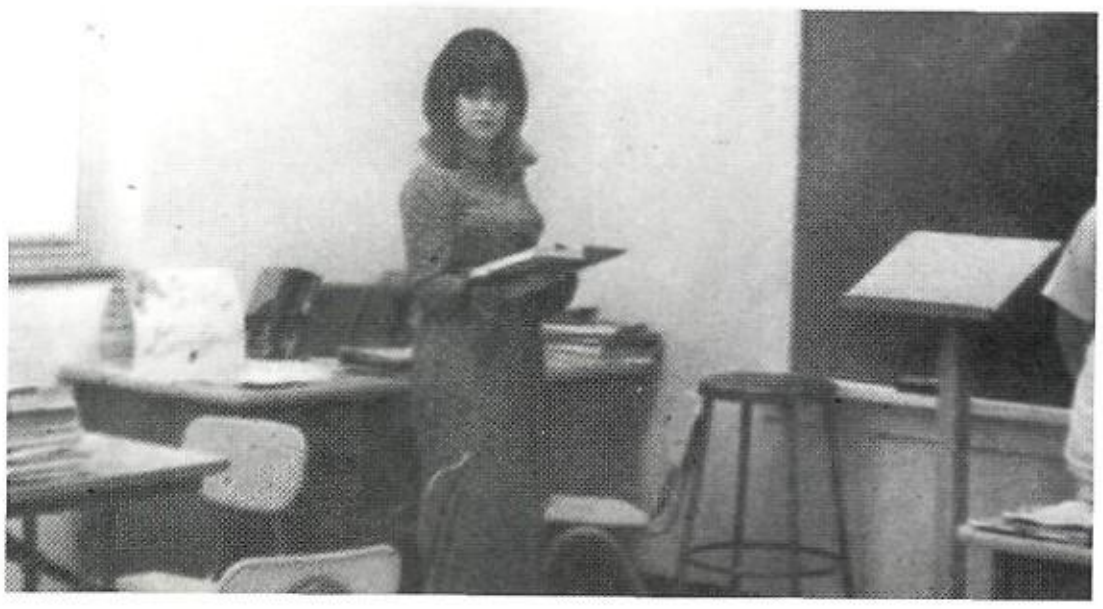


I didn't know cowboys ate in the lunch room??

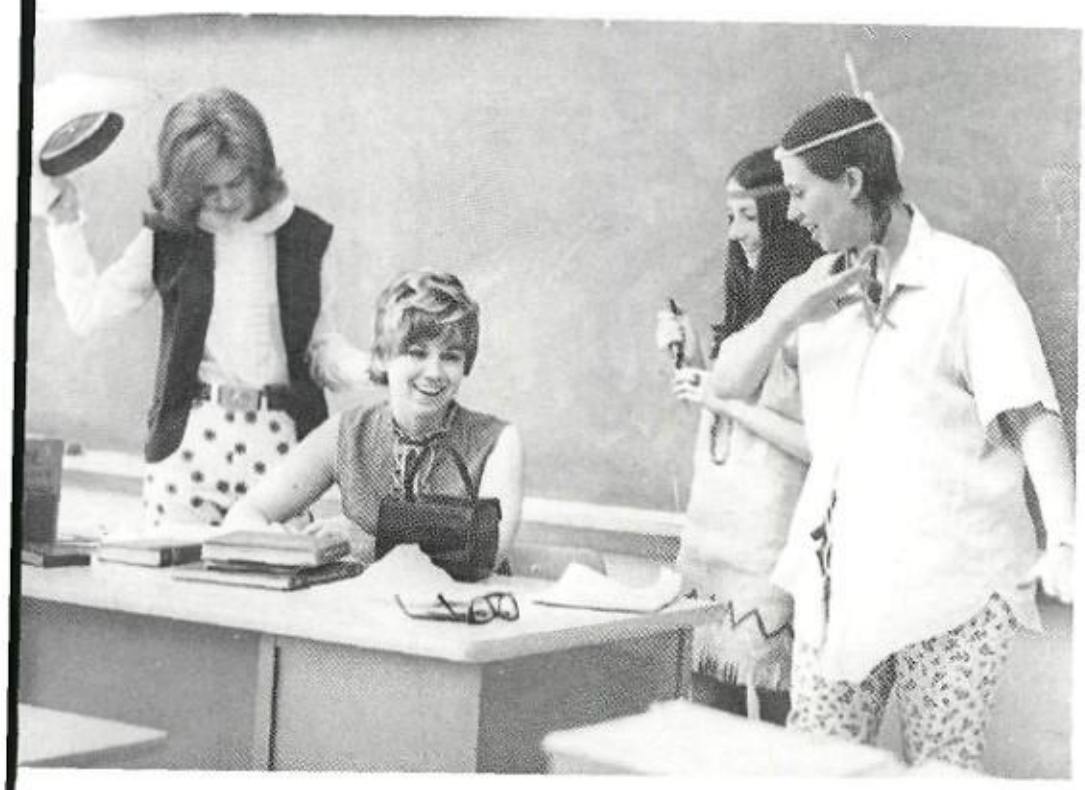
I've never seen an Indian and cowgirl standing beside each other.

What kind of Indian is Vikki supposed to BE???

THE GRANNY TEACHER!



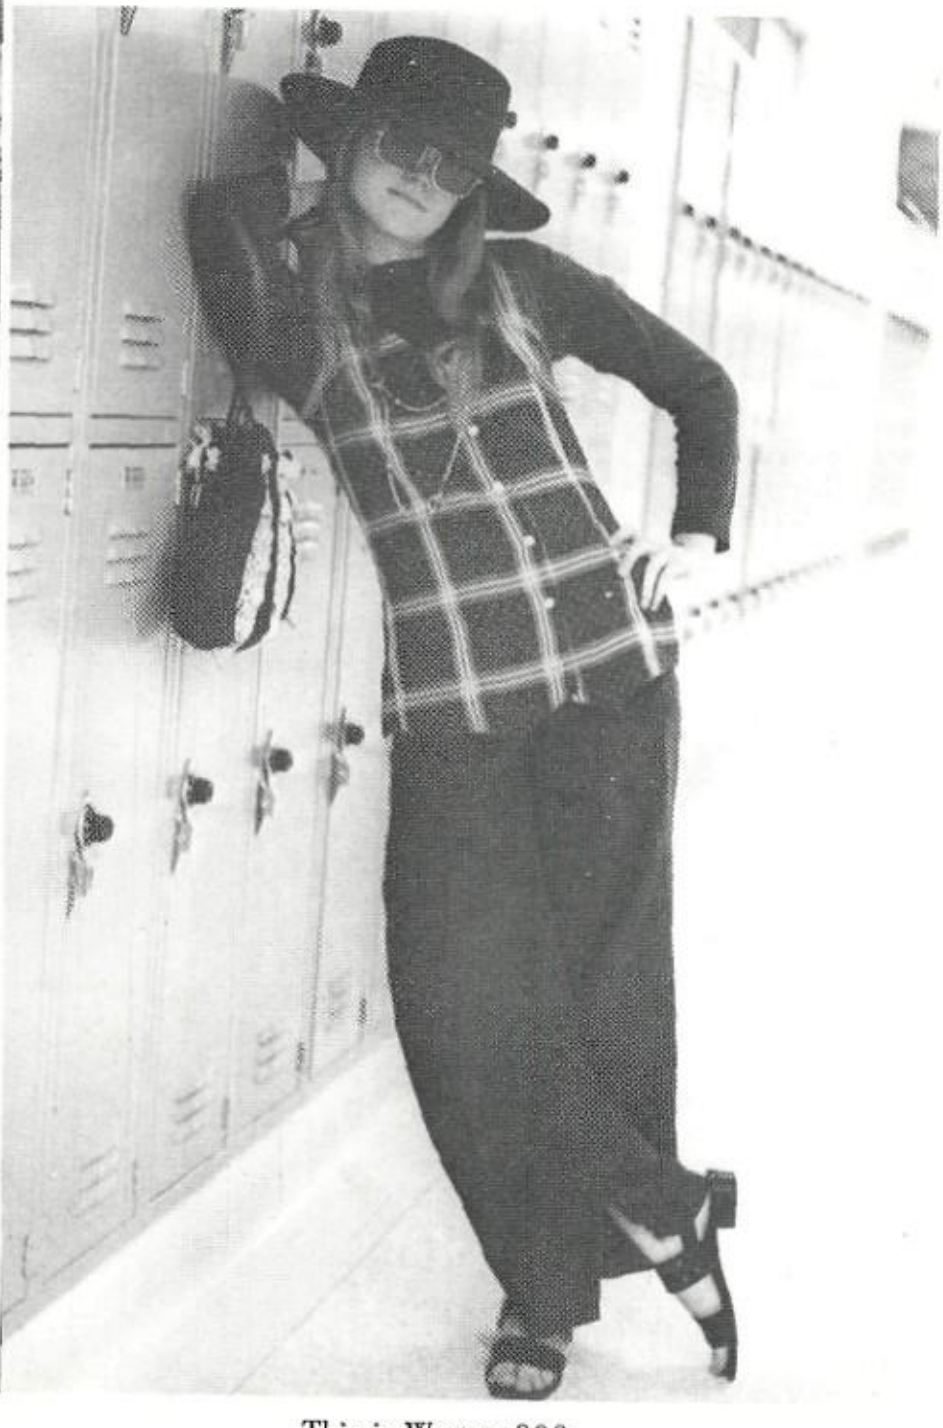
Day



Can you tell me what's going on?

Patti Tucker won the Best Dressed Girl on Western Day.

It looks like this little lady is having troubles.

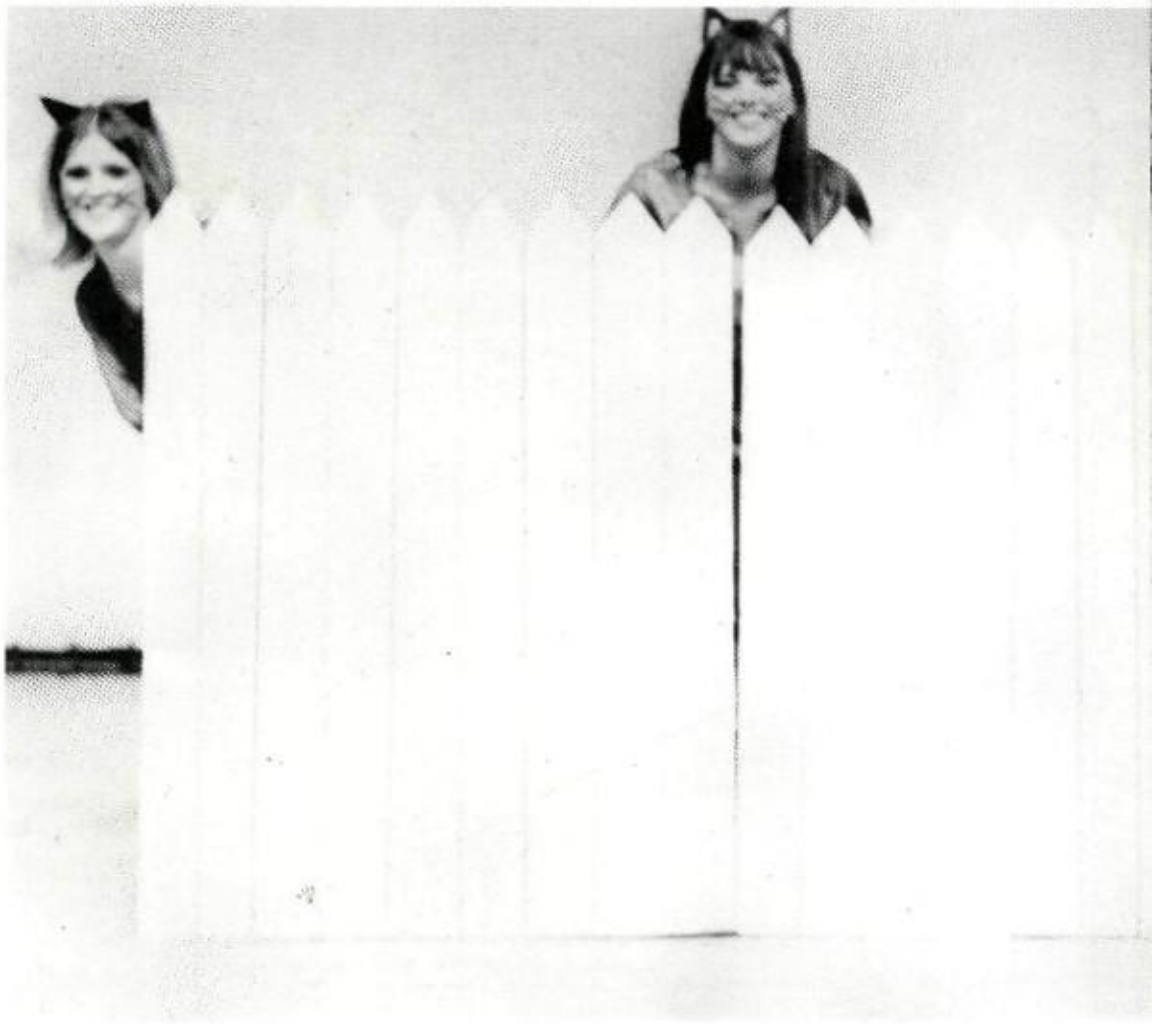


This is Western???

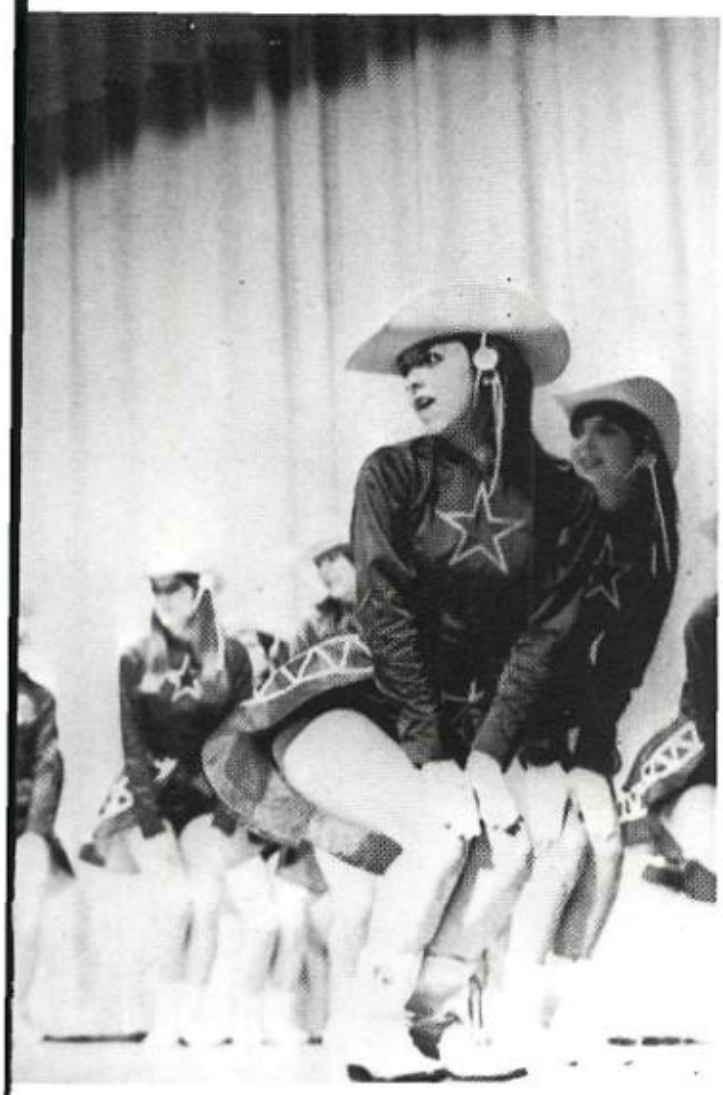
When you've got it—Flaunt it ...

... if you don't ...

Where it's at!

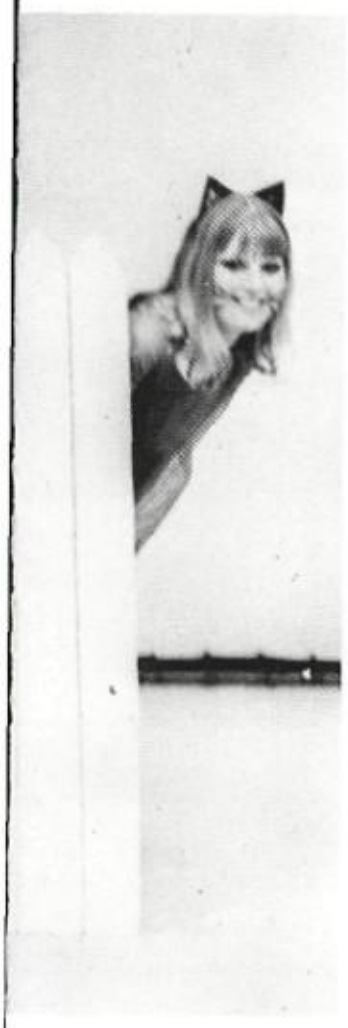


Did you say "victims of circumstance?"



Out here you can't fake it!

What do you hate most about panty hose?



"My girdle is killing me ..."

STRONG STUFF

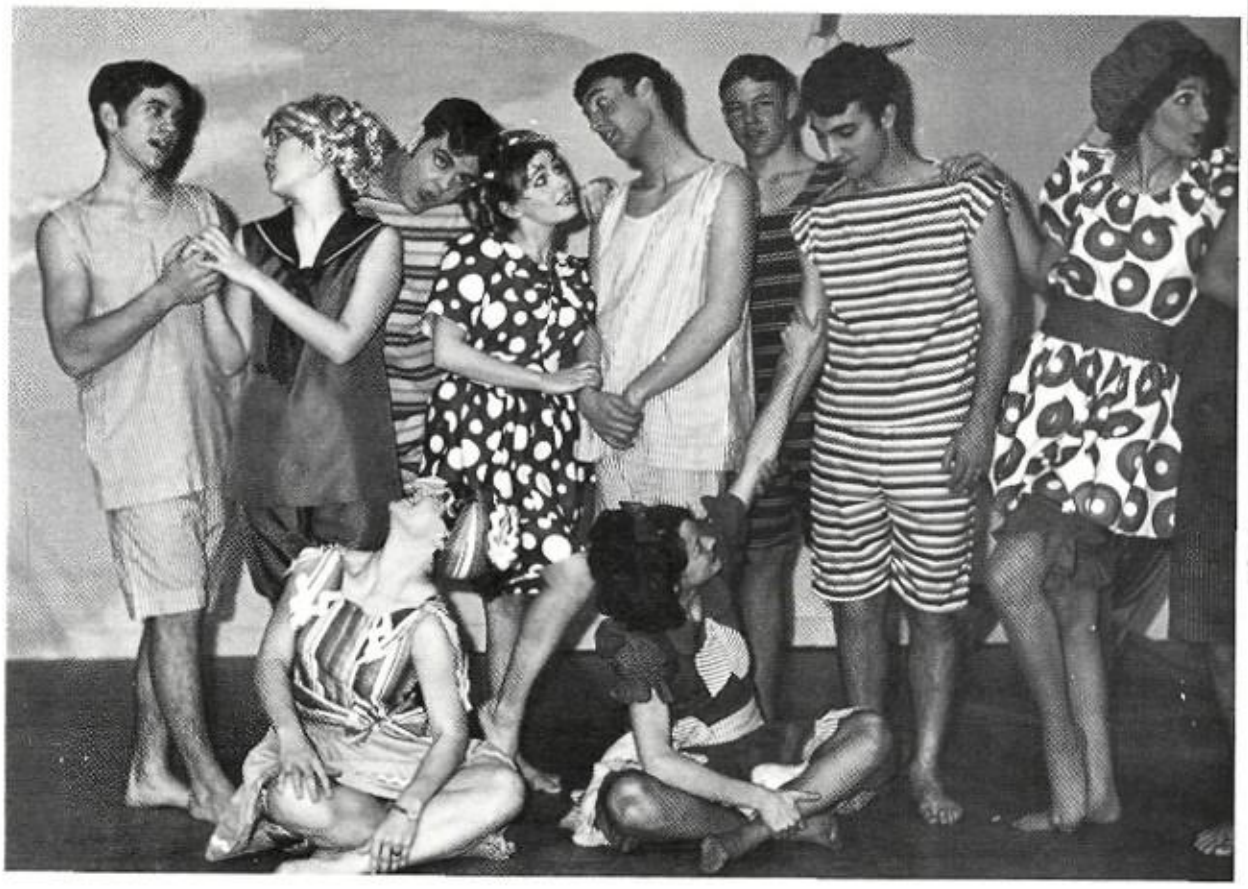
Spring Musical Production

The Boy

Polly was played by Alison Sinclair and Tony was played by Roger Barringer.

"Perfect Young Ladies"

Hortense was played by Michelle Ponder.



On the French Riviera.

Polly despairs over a letter by a make-believe boy friend.

"The Boy Friend" was staged under the direction of Mrs. Sue Braden with help in designing the set by Mrs. Kay Porter's art classes. This light-hearted production ran for two fun-filled performances and was considered a great success by everyone who saw it. The orchestra direction was by Mr. Daryl Dering and the choral direction was by Mr. Jack Williams.

Friend

Lord Brockhurst (Bob Alexander) finds Dulcie (Missy McGlothlin) very attractive.

Madame Dubonnet (Linda Beaver) and Percival Browne (Tom Tanksley) were long-lost lovers on the beach.

Lady Brockhurst (Marlys Miller) looks on disapprovingly while her husband tries to get Madame Dubonnet's attention.

Maisie (Janet Page) and Bobby Van Husen (Larry Godfrey).

Pepé (Kirk Kimball) and Lolita (Patti Thompson) danced an impressive tango.

Dancers at the Masquerade Ball—Vicki Womack and Jack Lusk.

Livin' it up in a French cafe.

Happy Ending—

Polly and Tony are united at last at the masquerade ball.

The Night of January 16

These two ushers were ready even before people started arriving.

Tom Cox swears in the jury which consisted of people selected at random from the audience.

Mrs. Braden's drama classes presented "The Night of January 16" as their fall production. This play was based on an actual trial, although names and scenes were changed. Mrs. Braden deserves everyone's admiration for the superb job she did in the direction of this courtroom drama.

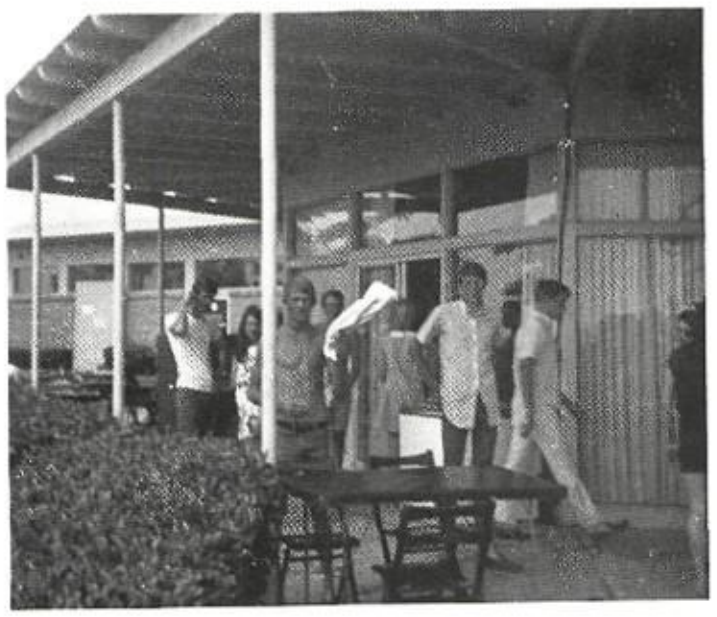
THE CAST

Judge Ronnie White is trying to get an answer from Homer Van Fleet, played by Roger Barringer as Defense Attorney Stevens (Bob Alexander) pauses in his questioning.

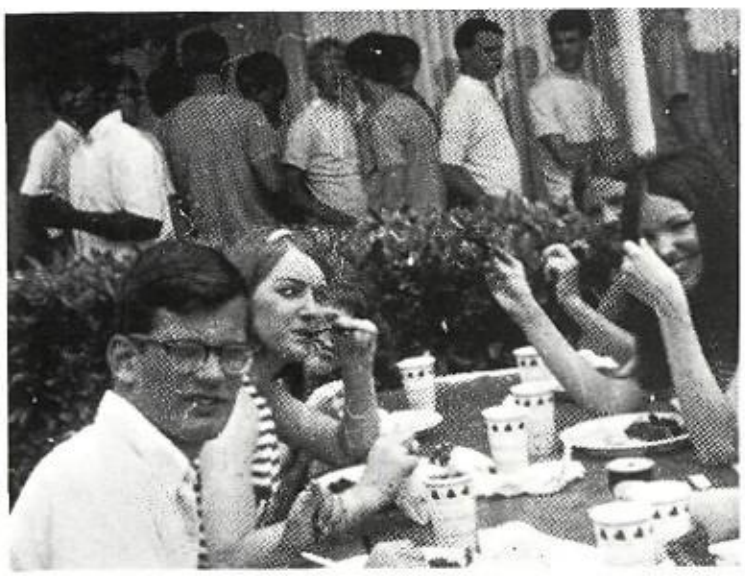
Nancy Lee Faulkner (Donna Day) and John Graham Whitfield (Royce Carr) look on as Karen Andre (Diane Upchurch) learns of the death of Bjorn Faulkner.

Senior Day

A new Skeeter Stadium.



Scattering Seniors



The food was delicious.

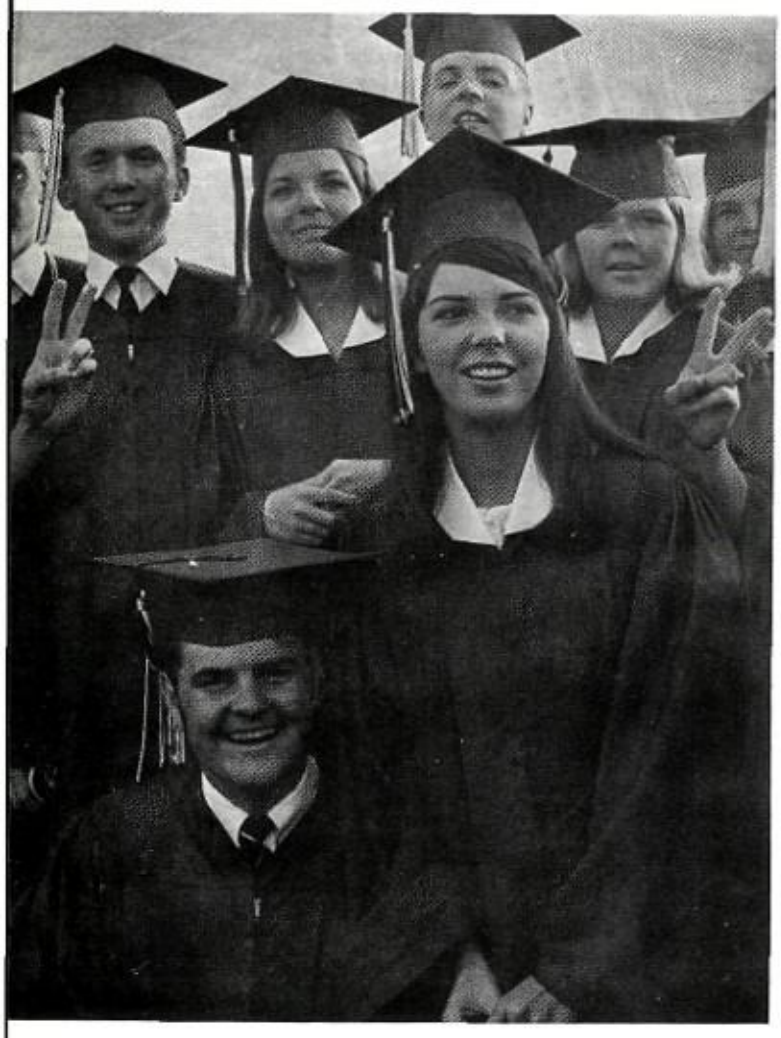
Golf was a popular pastime.

The pool was a popular spot that afternoon.

After lunch it was nap time.

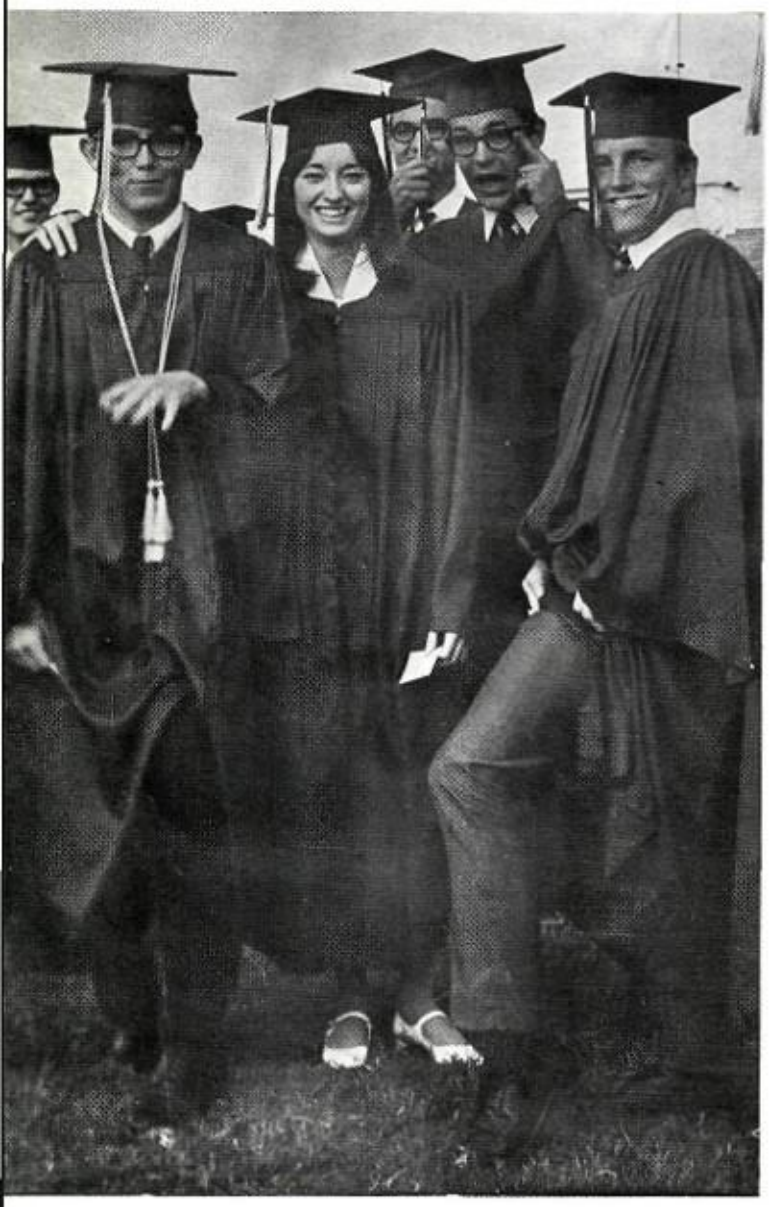
Commence

There were 490 seniors in the graduation class of 1969. Graduation was at 8:00 on June 2 at Skeeter Stadium. Valedictorian, Kay Woehst and salutatorian, James Sullivan, gave their speeches. Diplomas were handed out to the graduates by Dr. Joey Perung, president of the Mesquite Independent School District.

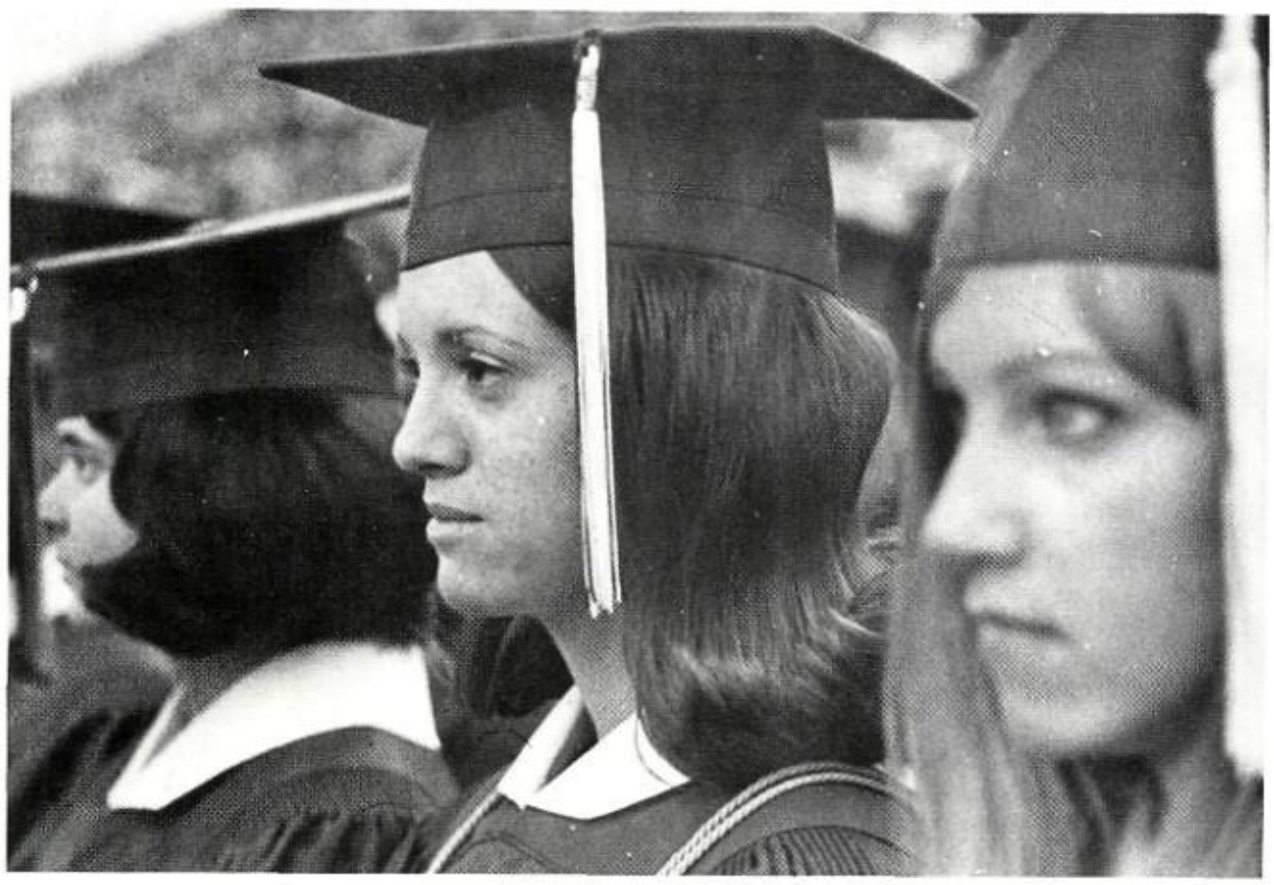


Seniors of '69 were a peace-loving group!

A moment of silent meditation.



Any future Einsteins in this intelligent-looking group?

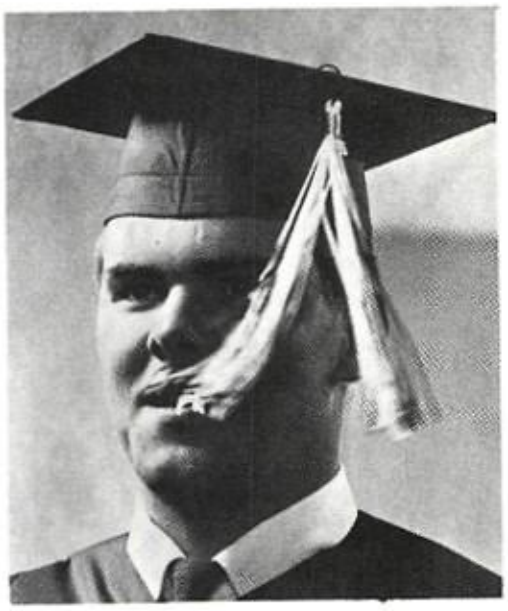


The crucial wait to march into the stadium makes some seniors tense.

ment Exercises

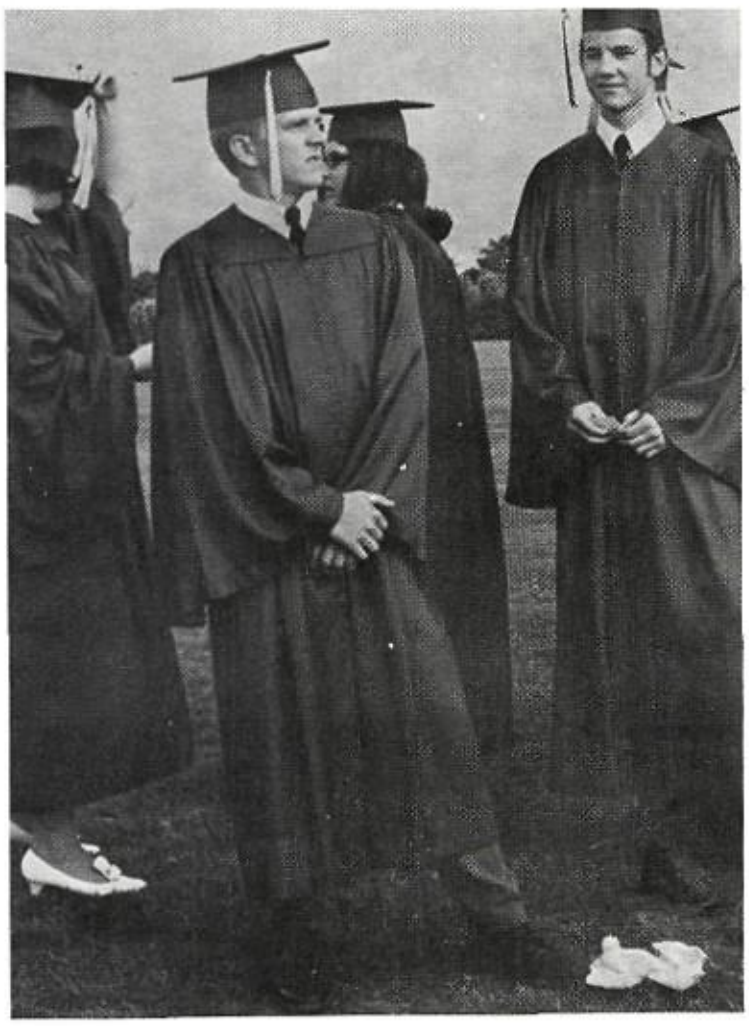
Senior Class President Greg Dodson donated the senior gift to the drama department.

Beni was one of the more loquacious seniors.

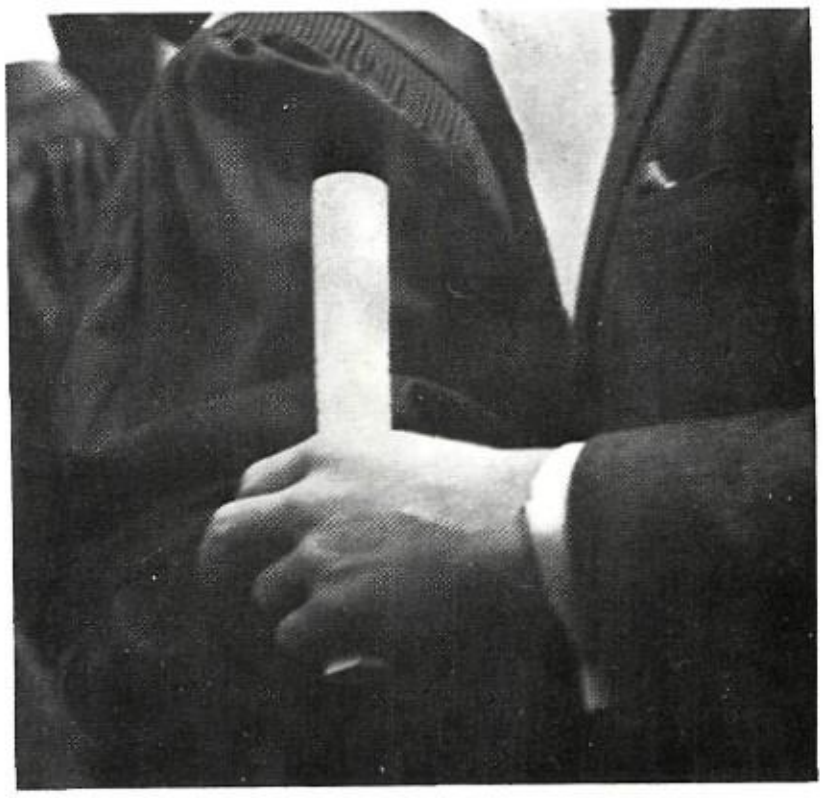


Keep Smiling!

Words of Wisdom



Did Greg drop something?



The object of Sr. of '69 endeavors the past 12 years.

Indifference is the enemy of freedom

Throughout America's history, men have sacrificed life and property to establish and preserve freedom.

Freedom is the very core of the American system and, while this system is not perfect, it has worked better than any other the world has ever known. It recognizes man's natural desires to live as an individual being. It recognizes his ambitions to earn, save, own and enjoy, to the fullest, the fruits of his labor.

History has shown that when freedom is *lost through carelessness and selfishness*, it is seldom regained. Although freedom *is God given, it is not free.*

Remember the greatest days of your life

with a Class Ring from Zales.

BOYS' from **$00**

GIRLS' from **$00**

We make a ring as great as your memories. We put the school name on the base and even include the school nickname or mascot. We'll engrave three initials inside the ring. It's even available with a design beneath the stone. And you can have a choice of stones—choose your birthstone, school color, a handsome black onyx or diamond.

Come on in to Zales...pick out your Class Ring (order any year—past, present or future)...and open a Student Charge account while you're at it.
